

HOW TO SUPPORT OUR SCHOOL THIS HOLIDAY SEASON

There are a few businesses that will donate a portion of your purchases to our school. Before you do your seasonal shopping, make sure your accounts are connected to Foothills Elementary so our school can get funds for needed learning materials.

Smiths: Log in to the Smith's website, go to your account, click Inspiring Donations, then search for Foothills Elementary.

Amazon Smile: On the Amazon app on your phone, click on the 3 lines on the bottom right, click Amazon Smile, and search for Foothills Elementary Salt Lake City.

Other programs that donate to schools are Box Tops, Coca-Cola codes, and Office Depot purchases.

TEACHER TEAM SPOTLIGHT: 4TH GRADE

Fourth Grade is loving this new 2022-2023 school year! Our students are working hard in Walk to Read and Walk to Math to strengthen their reading and math skills. Double Digit Multiplication is our current focus in math and most students are understanding it and are excited to learn the many different methods 4th graders utilize to figure out those big multiplication equations! We are heading out on a field trip soon to listen to the Symphony. It's great to learn about classic styles of music. We have many more fun and exciting topics to learn about as this new year passes. Welcome to 4th Grade! We love it here!
